NOTE FOR:

SUBJECT: IIM--Next Steps

Jack:

Suggest you sign attached note to  (or amend as you see fit). I will draft some "atta-boys" for Pete, et.al. I also have a draft of a memorandum that we will want to ask Bruce to send with the IIM to new key policy people--our opportunity to advertise our services via the presentation of some fairly consequential intelligence findings and projections concerning a policy that they will be charged with untangling, etc
